GRAPHIC DESIGNER DESIGNER

EMPLOYMENT

Grimm Graphics, Great Falls, MT (2010 - Current)
Web & Graphic Designer

Provided ongoing service to clients and companies with their visual communication needs on a project-by-project basis. Delivered consistent, targeted goals in order to reach clients' customers. Specialized in problem solving and created effective ways of delivering a message and visual impression. Executed common projects including: web design, logo-making, designing of various single projects (i.e. graphics, illustrations, advertisements, books or publications).

Signs Now, Clarksville, TN (2015) Nashville, TN (2016)
Senior Graphic Designer / Vinyl Installer

Contributed superior design expertise to create artwork, images and graphics to client specifications and satisfaction. Used years of industry experience to setup materials and print ready images for printing production; completed or assembled signs, or installed vinyl in various applications.

Squared Signs & Design, Paris, TN (2014 - 2015)
Senior Web & Graphic Designer

Aggregating design, printing and sign expertise; established a sign and printing business. While managing all the aspects of the business, leveraged a profitable business within the first year. Created an environment that catered to all client and customer types, from walk-in customers to large industry.

Gusto Distributing, Great Falls, MT (2011 - 2013)
Graphic Designer | Shop Supervisor

Leveraged superior design expertise to create POS materials, business cards, stickers, posters, and marketing collateral for this leading distributor of beer, wine, and non-alcoholic beverages. Independently eliminated 72% of operating costs over two years through the effective management of the company's sign room operating structure, significantly reducing shrinkage. Under minimal supervision, managed and maintained full accountability for meeting deadlines.

MONTANA STATE UNIVERSITY, Great Falls, MT (2011)
